

ICSE 2003: 25th International Conference on Software Engineering

The Hilton Portland Hotel

Portland, Oregon

May 3-10, 2003

<http://www.icse-conferences.org/2003/>

<http://www.icse-conferences.org/2003/>

GENERAL CHAIR

Lori Clarke
University of Massachusetts, USA

PROGRAM CO-CHAIRS

Laurie Dillon
Michigan State University, USA

Walter Tichy
University of Karlsruhe, Germany

SUBMISSION DEADLINES

Abstracts for Technical Papers	September 9, 2002
Technical Papers	September 9, 2002
Education Reports	October 4, 2002
Experience Reports	October 4, 2002
Tutorial Proposals	October 4, 2002
Panel Proposals	October 4, 2002
Co-located Workshop and Event Proposals	October 4, 2002
Research Demos and Poster Proposals	January 10, 2003
Doctoral Symposium	January 10, 2003

Organizing Committee

General Chair

Lori Clarke, University of Massachusetts, USA

Program Co-Chairs

Laurie Dillon, Michigan State University, USA

Walter Tichy, University of Karlsruhe, Germany

Doctoral Symposium

Dick Hamlet, Portland State University, USA

Mary Lou Soffa, University of Pittsburgh, USA

Education Reports

Hossein Saiedian, University of Kansas, USA

Bruce Weide, The Ohio State University, USA

Experience Reports

Martin Glinz, University of Zurich, Switzerland

Judith Stafford, Carnegie Mellon University, USA

Frontiers of Software Practice

Betty H.C. Cheng, Michigan State University, USA

Industrial Liason

James Hook, Oregon Graduate Institute of Science & Technology, USA

Local Arrangements

Robert Bauer, Rational, USA

David Garlan, Carnegie Mellon University, USA

Newsletter

Hal Hart, TRW, USA

Panels

Dewayne Perry, University of Texas at Austin, USA

Publicity

Margaret Burnett, Oregon State University, USA

Research Demonstrations & Posters

Mauro Pezze, Universita' di Milano - Bicocca, Italy

Bruce Schafer, Oregon University System, USA

Student Volunteers

David M. Raffo, Portland State University, USA

Treasurer

Phyllis Frankl, Polytechnic University, USA

Tutorials

Richard Fairley, Oregon Graduate Institute of Science & Technology, USA

Frances Paulisch, Siemens AG, Germany

Webmaster

Gregg Rothermel, Oregon State University, USA

Workshops & Events

Joanne Atlee, University of Waterloo, Canada

Stefan Leue, Albert-Ludwigs-University Freiburg, Germany

Program Committee

Annie Antón, North Carolina State University, USA

George Avrunin, University of Massachusetts at Amherst, USA

Don Batory, University of Texas at Austin, USA

Antonia Bertolino, IEI-CNR, Italy

Paul Clements, CMU Software Engineering Institute, USA

Prem Devanbu, University of California at Davis, USA

Laurie Dillon (co-chair), Michigan State University, USA

Matthew Dwyer, Kansas State University, USA

Steve Easterbrook, University of Toronto, Canada

Wolfgang Emmerich, University College London, UK

Jacky Estublier, Grenoble University, France

Peter Feiler, CMU Software Engineering Institute, USA

Anthony Finkelstein, University College London, UK

Patrice Godefroid, Bell Laboratories, USA

Mats Heimdahl, University of Minnesota, USA

James Herbsleb, Bell Laboratories, USA

Katsuro Inoue, Osaka University, Japan

Ross Jeffery, University of New South Wales, Australia

Somesh Jha, University of Wisconsin, USA

Gail Kaiser, Columbia University, USA

Rudolf Keller, Zuhlke Engineering AG, Switzerland

Richard Kemmerer, University of California at Santa Barbara, USA

James Larus, Microsoft Research, USA

Yves Ledru, LSR/IMAG, France

Hausi Muller, University of Victoria, Canada

Gail Murphy, University of British Columbia, Canada

Paolo Nesi, University of Florence, Italy

Lee Osterweil, University of Massachusetts at Amherst, USA

Adam Porter, University of Maryland, USA

Lutz Prechelt, abaXX Technology AG, Germany

Alexander Ran, Nokia, USA

Gruia-Catalin Roman, Washington University in St. Louis, USA

Dieter Rombach, University of Kaiserslautern, Germany

David Rosenblum, University of California at Irvine and

PreCache Inc., USA

Barbara Ryder, Rutgers University, USA

Gregor Snelling, University of Passau, Germany

Kurt Stirewalt, Michigan State University, USA

Karsten Schwan, Georgia Institute of Technology, USA

Tetsuo Tamai, University of Tokyo, Japan

Peri Tarr, IBM T. J. Watson Research Center, USA

Walter Tichy (co-chair), University of Karlsruhe, Germany

Frank Tip, IBM T. J. Watson Research Center, USA

Axel van Lamsweerde, University of Louvain, Belgium

Michal Young, University of Oregon, USA

Pamela Zave, AT&T Laboratories Research, USA
